

## CD Duplicator Model: ACD107-52X

New Cyberian Systems, Inc. is proud to present the state-of-the-art 1-to-7 standalone CD Duplicator. ACD107-52X is a robust designed CD duplicator that can duplicate up to 7 CDs simultaneously. The LCD display provides intuitively user-friendly messages for easy usage. Copies can be made by direct CD to CD or from image stored on the 80 GB hard drive to CD. At 52X recording speed, the ACD107-52X is a must for users who seek efficiency, economy, and reliability.

### **Features:**

- Standalone duplicator, simply plug the power to start
- Direct CD to CD or Hard Disk Image to CD burning
- Self diagnostics when power on
- Auto media speed and format detection
- Audio buzzer for alert and when duplication is done
- Intuitively user-friendly interface with rich LCD display
- Fast copies supports high speed CD-RW writing mode
- Easy operation without software and training required
- Firmware upgradeable via CD-ROM to future technology.
